All domestic-related services, including childcare and elderly care, are coordinated and assigned to workers through **RS HOME CARE**.

Customer payments are non-refundable.

In the event that an employee is unable to work due to illness or personal circumstances, **RS HOME CARE** will provide a suitable replacement.

It is customer's responsibility to ensure the safety of their property. Management will not be liable for any stolen or missing items.

Any concerns or errors related to employee performance should be formally reported to the company without delay.

If workers engage in an unanticipated strike, payment must still be made for the services already rendered.

**RS HOME CARE** will take necessary and appropriate action in cases where employees are harmed or affected by inappropriate actions or words in the workplace.

Based on customer requirements, the company will supply the appropriate number of employees for contractual periods ranging from one month, Six months and One year.
